

Can You FOSTER me?

My name is Parker ... I got lost from my family and have been living in the woods. I am still a little scared, but I purr and smile when someone takes the time to stay with me. I am so scared at the kennel, there are dogs barking all the time. I just hide in my cubby and hope they won't get me!

Please call Jemez Animal Amigos to foster me!! They will pay for everything I need, and make sure you are happy to share your home with me!

Please call Jemez Valley Animal Amigos to help PARKER!!
