Meeting Purpose: The New Mexico Department of Transportation (NMDOT) in cooperation with the Federal Highway Administration is sponsoring this meeting to discuss the NM 4 Corridor Study. The study corridor extends along NM 4 from Pajarito Road in White Rock to NM 126 in La Cueva. The corridor study will inventory existing conditions, identify transportation needs, and develop transportation alternatives for NM 4. Residents, landowners, motorists, and all interested parties are encouraged to attend and provide comments, concerns, and suggestions regarding the corridor study. The corridor study is being developed in coordination with the U.S. Department of Energy, Los Alamos National Laboratory, and Los Alamos County.

Meeting Overview and Agenda: NMDOT project team members will introduce the corridor study and provide NM 4 background information. Project team members will accept comments and questions at the meeting. Comments may also be mailed, e-mailed, or faxed by August 6, 2014 to Eric Johnson, Marron and Associates, 7511 Fourth Street NW, Albuquerque, NM 87107, phone (505) 898-8848, eric@marroninc.com, and fax (505) 897-7847.

ADA: To request Americans with Disabilities Act (ADA)-related accommodations for the meeting, contact Eric Johnson at (505) 898-8848 at least two days before the meeting.
